MEMORANDUM No.567985-P.II/47-2, dated 27th October 1947

LABOUR DEPARTMENT - Harijan hostels subsidised by the Government - Re-opening after summer vacation on the dates on which the schools concerned are re-opened - Instructions Issue of.

It has been brought to the notice of Government that some Harijans hostels are re-opened only a few days after the re-opening of the schools in which the ~~borders~~ boarders are studying. It has been suggested that the Government should insist on the re-opening of all Harijan hostels subsidised by them on the dates on which the schools are re-opened and that this condition should be made one of the conditions. The Commissioner of Labour is requested to offer his remarks on the suggestion and if he agrees, to issue necessary instructions in the matter to see that all subsidised hostels are re-opened after the summer vacation on the dates on which the schools concerned, are re-opened.
